STATEMENT: Gymnastics, Cheerleading, and Dance are sports in which injury can occur. I recognize that potentially severe injuries, including permanent paralysis or death can occur in sports or activities involving height or motion. Gymnastics and Cheerleading are sports of tumbling skills where the body is placed in the inverted, bridging, forward, backward, and sideways positions. Although landing areas are matted according to USA Gymnastics safety criteria and according to the recommendation of the apparatus manufacturers, falls do occur during the learning process. Any fall from tumbling or an apparatus resulting in improper landing techniques could cause permanent and irreversible damage such as paraplegic, quadriplegic, injuries or even death to your child. Proper landing techniques **are taught** at this gym, but accidents **can still** occur through these sports.

RELEASE: Having read and understanding this statement, I give my child(ren) (name)(s) my permission as his/her parent or guardian to be enrolled and instructed in classes at **DMG, Inc. Dance Moves and Gymnastics**. I understand the inherent risks and will not hold DMG Inc., its staff, property owners or visiting coaches responsible for any injury my child might have within the gym or on the premises.
